SPONSORSHIP OPPORTUNITIES

BOYS & GIRLS CLUBS
OF INDIANAPOLIS

Continuing to do whatever it takes
to build great futures.

INTRODUCTION

Boys & Girls Clubs of Indianapolis believes every young person deserves to live a life filled with hope and opportunity.

Because we care about our young people, we provide a safe, educational and positive atmosphere where they can prosper and reach their full potential.

Since 1893, Boys & Girls Clubs of Indianapolis has affirmed that every young person deserves to live a life that is filled with hope and that offers limitless opportunity. Because we are dedicated to ensuring the health and well-being of young people, we provide a safe, educational, nurturing, and positive atmosphere in which they can thrive, grow, and reach their full potential.

When the school bell rings for the end of the day, many Indianapolis youth are left with few options for positive after-school activities. Some are at home with no adult care or supervision, not because they do not have great caretakers, but because caretakers must work long hours to support their families. Young people need to know that someone cares when guardians cannot be there.

Boys & Girls Clubs offer that and more. Club programs and services help youth understand they matter.

The Clubs are a safe place to learn and grow – all while having fun. It is a place where Great Futures are started each and every day.

We will do Whatever It Takes to build Great Futures for the youth in our city!
